

SCHULE, SCHULE

by Hella Wenders

SYNOPSIS

In SCHULE, SCHULE - DIE ZEIT NACH BERG FIDEL Hella Wenders continues to tell the stories of the four children from part one of her documentary (BERG FIDEL).

David, Jakob, Anita and Lucas went to the inclusive elementary school "Berg Fidel", a school that specialises in teaching children with special educational needs. Now their sheltered time in elementary school is over and we follow the protagonists on their way into various secondary schools. Dreams, hopes, fears, worries: we experience the trials and tribulations of their new life stages and how they can cope with their impairments. Meanwhile, Sabina, a girl with special needs, is allowed to stay at the elementary school Berg Fidel beyond fourth grade. A longer period of learning together - from the first to the tenth grade - has become possible at the Primus model school from summer 2014.

How are the other secondary schools prepared for special learning requirements? How are the protagonists' chances at the respective...
