

# SOBER TOGETHER

by Fabian Schmalenbach

## SYNOPSIS

Near Marburg lies the Fleckenbühl farm, a self-help facility where addicted people have the opportunity to start a drug-free life. The concept, which works without doctors or therapists and has a very strictly hierarchical system, is controversial. New-comers have to hand over all their personal belongings, are not allowed to leave the premises unaccompanied for the first six months or have any contact with people from outside. For one year SOBER TOGETHER accompanies five addicted people on the Fleckenbühl farm as they try to lead a sober life, seems to be the last chance for a drug-free life.
