

SOUL BIRDS

by Thomas Riedelsheimer

SYNOPSIS

For 15-year old Pauline, 10-year old Richard and 6-year old Lenni, life means something very special. They suffer from leukemia and they are facing death. Pauline writes poems, Richard knows everything about his disease and Lenni's charm fills any room. Three strong young people with all their plans, hopes, triumphs and defeats. An unusual cinematic approach to a situation that is not all about the disease but instead the search for life's energy and power.
