

# SUNSET OVER MULHOLLAND DRIVE

by Uli Gaulke

## SYNOPSIS

At the end of Mulholland Drive lies the Motion Picture & Television Fund. Its residents were once the backbone of the Dream Factory: actresses, producers, writers. The spry seniors still burn for movies and entertainment. And so, they share their best personal and professional anecdotes with us.

A touching and lighthearted documentary about the glamorous residents of a very special retirement home, including actress Connie Sawyer ("Dumb and Dumber", "When Harry Met Sally...") three-time Emmy® Award nominated producer Joel Rogosin („The Virginian", "Ironside", "Magnum, P.I. and and producer Daniel Selznick ("American Grafitti"). [global screen]

The palms in the garden of Motion Picture & Television Country House at Mulholland Drive sway soft in the light breeze under the evening sun. Here in Woodland Hills, a sleepy suburb northwest of Hollywood, hides a fairly unique kind of home for quite special inhabitants – the refuge for the elderly of the US film industry....
