

SUPERNOVA: THE FESTIVAL MASSACRE

by Duki Dror, Noam Pinchas, Yossi Bloch

SYNOPSIS

The documentary unravels the dramatic events which took place during Hamas' attack on the music rave 'Supernova' in Southern Israel on October 7th. The film features eyewitness accounts from survivors of the massacre, first responders and real time footage collated from multiple sources and, for the first time, provides a timeline of the startling attack in which 365 attendees were killed, hundreds wounded and 40 kidnapped into Gaza.
