

# TEOTWAWKI - THE END OF THE WORLD AS WE KNOW IT

by Julia Neuhaus

## SYNOPSIS

Milton is a traumatized veteran who has lost trust in society and moves to a bunker in South Dakota. Julia is a professor in Switzerland who works on a safety exit to satisfy humanity's needs without destroying the planet. John spends every free minute illegally roaming the post apocalyptic world of the Chernobyl exclusion zone.

TEOTWAWKI - The End Of The World As We Know It follows these three people who confront big fears and try to find their place as human beings in a world in turmoil.
