

THE ART OF INCONSEQUENTIALITY

by Jakob Brossmann, Friedrich von Borries

SYNOPSIS

A hunger for profit is destroying our world. Can art intervene or are artists merely the jesters of capitalism? And can the world be saved through living without ecological consequences? These topics are discussed – in front of and behind the camera and far beyond... [36 DOK.fest Munich]

With: Albert Meisl, Katharina Meves Ahmed Soura, Milo Rau, Antje Stahl, Tazio Müller
