

THE ARTIST & THE PERVERT

by Beatrice Behn, René Gebhardt

SYNOPSIS

Georg Friedrich Haas is arguably the most important living composer of symphonic music, but also a descendant of a Nazi family. His wife, Mollena Williams-Haas, whom he met through the dating site "OkCupid," is an African-American kink educator. Their deep relationship is based on an open, yet controversial role-playing game between a white male master and a black female slave. This ground-breaking film documents their lives between perversion, art, love, and radical self-determination. With: Georg Friedrich Haas, Mollena Williams-Haas, George E. Lewis, Susan Boynton, Mike Ford, Sir Simon Rattle, Keith Rockhold, Julie Baum, Patti Beadles, Dixie De la Tour, Marion Carter Williams, Roland Haas, Moritz Eggert, Händl Klaus, Rolanda Haas
