

# THE CHERRY ON THE CAKE

by Oliver Stiller

## SYNOPSIS

LA CEREZA EN EL PASTEL is a flying visit to the perspectives, dreams and realities of four people living in Mexico. Roberto is worried about his country. Roberto sells oranges and juice on markets in Mexico City. He is a pioneer: He developed his juice squeezer himself. Montserrat wants to dance her way to Spain. The young Montserrat lives for her career as a dancer. The way to the top is hard, especially because she is not from a wealthy family. Domingo demands more educational opportunities for the people of Chiapas. Living in the poorest state of Mexico, the farmer Domingo is constantly struggling to feed his family. Metatrón is the King of Angels. The Mexican wrestler has been fighting professionally for eleven years now, but still awaits his entry into stardom.
