

# THE HUNGARIAN PLAYBOOK

by Bence Máté, Aron Szentpeteri

## SYNOPSIS

The Hungarian Playbook examines the Don Quixote like struggle of young journalists against Hungarian Prime Minister Orbán's propaganda machine, which now controls 80% of the domestic news market.

The next elections are due in April 2022. Can the regime celebrate its fourth victory in a row thanks to its media control? Or will the unthinkable happen, the fall of the creator of the 'illiberal democracy' Viktor Orbán? [CAT&Docs]
