

# THE MOO MAN

by Andy Heathcote, Heike Bachelier

## SYNOPSIS

The Moo Man follows a maverick farmer and his unruly cows, filmed over four years on the marshes of Southern England. In an attempt to save his family farm Stephen Hook turns his back on the cost cutting dairies and supermarkets; but staying small and keeping a close relationship with his fifty-five cows comes with an emotional price. An endearing little movie that tackles some surprisingly big issues.
