

# TOMB OF CHRIST

by Eric Borner

## SYNOPSIS

Dan Brown's novel, *The Da Vinci Code*, now seems much closer to the truth than many had previously believed. While the character played by Tom Hanks searches for the sarcophagus, with its symbol of the Holy Grail, French researchers recently discovered precisely such an object in the south of France. Does this mean that we have finally found an explanation for the mysterious tale of the Pyrenean village, Rennes-le-Château? Did André Douzet, after 40 years of painstaking research, finally discover the tomb of Jesus Christ?
