

TRUTH OR DARE

by Maja Classen

SYNOPSIS

Sparks fly, when Puck and Jasko explore their bodies, while asking consent for every single touch. Sexworker Jorge admits, how shy he feels towards porn performer Bishop, on whom he'd had a crush for ages. Despite ending their poly-relationship, Kate and Adrienne still have a strong bond and dive into a bitter-sweet sexual encounter. The experimental documentary TRUTH OR DARE offers a fresh and intimate perspective to the political discussion about gender diversity and sex-positivity.
