

TWENTY-EIGHT – THE PATH IS MADE BY WALKING

by Cornelia Grünberg

SYNOPSIS

In 2008, Lisa, Fabienne, Laura, and Steffi were only 14 years old. And pregnant. They said, “We can handle this.” And they gave birth to Leyla, Valentin, Stella Luna, and Jason.

Fifteen years later, their kids are now the same age they were back then. Time to look back – and ahead. In “TWENTY-EIGHT - The Path is Made by Walking”, the young mothers, and for the first time also their children, talk about their very normal, extraordinary lives.

TWENTY-EIGHT is the 3rd part of the long-term documentary 14-18-28 by Cornelia Grünberg.
