

# VODKA, ART AND FASHION

by Irene Langemann

## SYNOPSIS

It would be hard to name another drink that is more identified with the culture of a people than vodka with Russia. But in the West, too, this drink is spreading among young people. In conjunction with one of ARTE's evenings of programming devoted to a particular topic, Lichtfilm produced two documentaries on this magical liquid: VODKA, ART AND FASHION and VODKA - RUSSIA'S NO. 1
