

WATCHING YOU: THE WORLD OF PALANTIR AND ALEX KARP

by Klaus Stern

SYNOPSIS

Digital capitalism and AI are changing the world. But who are the people at the top steering this development? And what are their ethical principles? The film is a portrait of one of the most mysterious and mightiest men in the Silicon Valley – Alex Karp, a billionaire with a doctorate in philosophy, a self-proclaimed neo-Marxist and pacifist, as well as CEO of PALANTIR whose most successful software is used by police forces to predict crime and by the military to occasionally 'kill people' – in Karp's own words.
