

# WHERE'S THE BEER AND WHEN DO WE GET PAID?

by Böller und Brot Sigrun Köhler und Wiltrud Baier

## SYNOPSIS

How come Jimmy Carl Black, legendary drummer of Frank Zappa's "Mothers of Invention" lives in a small Bavarian village? "The Indian of the Group" can hardly speak German and is greeted with "Servus Mr. Black!" in the best Bavarian manner. Starting at Höpfling station, the 70-year-old of pensionable age tours through Europe as drummer and singer – signing the same old Zappa records over and over again since 40 years.

"Don't ask me what the sound is. You to have to hear it!"

Featuring Jimmy Carl Black „THE INDIAN OF THE GROUP“, Don Preston, Bunk Gardener and Roy Estrada from „THE MOTHERS OF INVENTION“, Eugene Chadbourne „DR. CHAD“, Arthur Brown „THE GOD OF HELLFIRE“, The Muffinmen, The Hurricanes, Moni Black, Blaskapelle Vogling Siegsdorf, and many others...

Filmed by Böller & Brot, directors of "MONEY-Go-ROUND" and „SCANDALIZATION“.
