

WILD HEART

by Charly Hübner, Sebastian Schultz

SYNOPSIS

“Wildes Herz” is a film about “Feine Sahne Fischfilet”, one of the most successful German punk rock bands, and their lead singer, Jan “Monchi” Gorkow. A young band who are under surveillance by the Federal Office for the Protection of the Constitution, which gives them the right to call themselves the most dangerous band in Mecklenburg-West Pomerania. A film that shows how musicians fight against Nazis and feelings of emptiness and frustration, in a region where home means the beautiful flat countryside. With music that’s quite unlike their home: strong, loud, joyous.

As this film examines Jan “Monchi” Gorkow’s life in home movies and interviews with his parents we gradually begin to understand that it is a parable on, a coming to terms with and an answer to what happened in Mecklenburg-Vorpommern after the reunification. When a refugee centre in Rostock-Lichtenhagen was on fire, the population applauding and the police looking the other way. That is the time...
