

# WITH EDUCATION WE SHALL PROSPER

by Uwe Wrobel, Felicitas Richter

## SYNOPSIS

In 2016 more than 65 million women, men and children are living as refugees or internally displaced people (UN). Jesuit Worldwide Learning (JWL) provides equitable high quality tertiary learning to people and communities at the margins of societies - be it through poverty, location, lack of opportunity, conflict or forced displacement - so all can contribute their knowledge and voices to the global community of learners and together foster hope to create a more peaceful and humane world. The documentary takes us to Kakuma Camp, Kenya; Amman, Jordan and Dzaleka Camp, Malawi.
